

# Bridgeman Footage

Art, culture and social history footage from the world's leading cultural visual resource

bridgeman  
footage

[bridgemanfootage.com](http://bridgemanfootage.com)

Bridgeman's rights-managed footage collection comprises new and exclusive films from around the world including historical archives, artist profiles and biographies, archaeological sites, world travel and culture.

## Search clips alongside 1 million stills on [www.bridgemanimages.com](http://www.bridgemanimages.com)

Footage clips can be accessed from [bridgemanfootage.com](http://bridgemanfootage.com). If you cannot find what you are looking for, our team can provide free expert research and conduct an offline clip search. As with our still imagery, we are also able to source hard-to-find clips from our content partners.

## Exclusive Content & Limited Restrictions

A number of the collections are exclusive to Bridgeman, and many have not been represented commercially before. A large percentage of our footage is rights-cleared, and if clearances are needed our skilled sales team can assist you with copyright clearance. For research assistance email us at [nysales@bridgemanimages.com](mailto:nysales@bridgemanimages.com).
